**提防偽冒HGC環電寬頻來電核實來電者身份**

**Be vigilant against fraudulent HGC Broadband calls and verify caller's identity**

近日，本港接連發生多宗電話騙案，而冒充HGC環電寬頻職員致電客戶的個案亦時有發生。偽冒者大多藉續約為名，提供錯誤的續約資料，甚至以粗言穢語滋擾或恐嚇客戶，誤導他們轉用其他網絡商的服務，嚴重影響本公司之聲譽。本公司對事件十分關注，並已交由警方處理。  
本公司特此呼籲客戶提高對偽冒HGC環電寬頻職員來電的防範意識，慎防受騙。所有獲HGC環電寬頻授權，以電話銷售渠道所撥出的電話均有來電顯示；而本公司職員在致電客戶時，亦會應客戶要求提供其姓名、員工編號或聯絡電話號碼。如有懷疑，請先記下來電號碼及來電者姓名，再致電HGC環電寬頻客戶熱線1223，核實來電者的身份，保障利益。  
如客戶接獲可疑電話，請聯絡警方。

Amid the recent spate of phone scams in Hong Kong, cases of fraudulent practice where individuals pretended to be staff of HGC Broadband, called customers and aimed to spur them to other telecoms operators, are not uncommon. Those individuals are alleged to have provided wrong information on service renewal, and harassed or threatened users with strong language. All this has caused adverse impacts on the reputation of HGC Broadband. We take the fraudulent cases very seriously and have reported them to the police.  
HGC Broadband hereby urges customers to guard against deception and be vigilant against fraudulent calls claiming to be made by or on behalf of HGC Broadband's staff. All sales calls made via our authorised telesales channels feature a caller display. Staff of HGC Broadband are also happy to provide full names, staff IDs or contact telephone numbers as identification codes upon a customer's request. When in doubt, please jot down names and phone numbers of suspicious callers and verify their identities by calling HGC Customer Services Hotline on 1223.  
For any suspicious call, please report to the police.
